For the purposes of allowing families to use this funding for music therapy sessions we have joined a lead agency – “Speech Language Solutions” (Music therapy providers must join a consortium to provide this service). Sessions claimed under this funding scheme are slightly higher than our standard fees due to administration costs incurred in processing invoices. We aim to keep these costs as low as possible by billing less often. Therefore, your sessions will be processed and taken out of your funding account 2-4 weeks after the session. Please contact us if you have any questions.

Policies: Cancellation / Unpaid Accounts / Discontinuing sessions	
Cancellation <i>within 12hrs of scheduled session</i>	Full session fee
Cancellation <i>12-24hrs before scheduled session</i>	Half session fee
Unpaid Accounts – <i>Payment is due within 14 days of invoice date. A 10% fee is applied each week the payment is late. Sessions will be cancelled in the instance that payment is outstanding for 2 weeks or more.</i>	
<p>Please make every effort to give notice if you can't attend a session. This allows best use of the time (eg. offering the session time to someone else/creating resources/reports etc). In order to maintain work as a private practice clinician the above cancellation fees are enforced, however allowances are made for emergencies. Rescheduling will be offered where possible.</p> <p>2 weeks' minimum notice is required to cancel all future sessions. This provides enough time to provide closure with the child/client and contact another family on the waiting list.</p>	

Fees are correct as of Jan 2018. Fees/policies are subject to change.
