This allows for the best use of the therapists time (eg. offering the session time to someone else/creating resources/reports etc). Although, the above cancellation fees are enforced, allowances are made for emergencies. Rescheduling will be offered where possible. • 2 weeks minimum notice is required to cancel all future sessions. This provides enough time to provide closure with the child/client and contact families on our waiting list. • Invoices are emailed out at the start of the month for the month of sessions in advance.
